1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Duke Power and I am protesting the proposed rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am protesting the proposed rate increase due everything is going up and we are struggling to make ends met. We have a child with special needs and one with asthma. Electricity is needed for everything and raising the cost would just put many families like us in a bad situation. Please take this into consideration. It would be a hardship on our family and many others like us.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

I am unable to attend a public hearing at this time due to caring for my children due to my husband's job he is not home in the evening.
